TWO BEDROOM APARTMENT IN KOLONAKIOU AREA

Description

Situated in one of the city's most cosmopolitan neighborhoods, is an ideal residential street, far from the noises of the main road but close enough so the residence never feel out. It has landscaped gardens and secluded

outdoor swimming pool and deck area and offers a sense of community. It offers a 2 bedroom apartment of 87 square meters internal area and with an extra covered veranda and also a smaller uncovered veranda, storage room and covered parking area.

The open plan living and kitchen area extend out into large, ample balconies with glass railings, offering a beautiful view. Large, floor-to ceiling windows all across the living areas and bedrooms allowing the natural light to stream in.

The construction is starting by the end of March 2019 and the delivery time is estimated in 18 months.
