(ONLY FOR COMPANY TENANCY)

and a prepayment for six months is an additional requirement plus common expenses

About the project:

Residential Complex comprises of luxury apartments and houses and is located on Germasogeia, Limassol.

Main building has 19 apartments on 5 floors, with additional common spaces at the ground and underground floor levels.

Common spaces are a luxury entrance lobby, open and closed areas of playground and everyday workout, shower rooms and an external swimming pool of 20 m length. There is a covered parking with additional and separate bicycle parking spots.

The last floor of the building consists of two penthouses, with their own separate roof garden and rooftop jacuzzi.

Each of the apartments is assigned a separate spacious storage room at the underground level. Both penthouses have additional storage space situated on their roof gardens.

Ground floor level:

LOBBY area is designed using exquisite materials, including superior quality marble and real wood.

RECREATIONAL ACTIVITIES:

Special designed playground with easy access to a secured outdoor area for children to play on

Closed gym area with top quality equipment and an outdoor area for CrossFit workout, both with specialized gym flooring

Outdoor swimming pool of 20m length and deck flooring at the pool area

Kiosk with pool bar

Surrounding landscaped green area at the property is giving both privacy and a sense of wellbeing
