Description

Fully furnished 4 bedroom penthouse of 312.26 m² covered areas and 99.12 m² uncovered verandas, the property is ready for immediate use either as a residence or for an investment purpose.

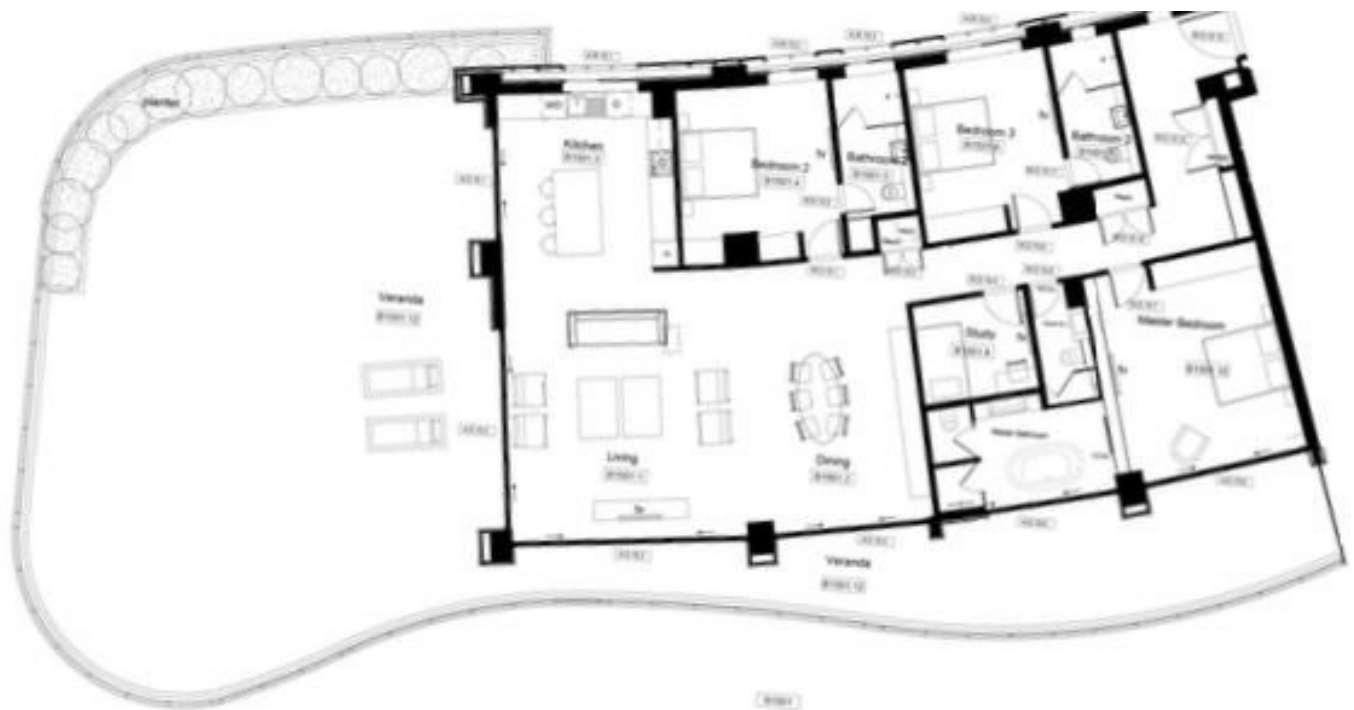

Located on Cyprus' south coast, Limassol has been voted one of the world's most up-and-coming cities and is the island's most cosmopolitan. With a 17km coastline of azure water and blue flag beaches, as well as a wealth of history and culture, it is a hub for both business and leisure.

At the intersection of rich cultures, The project evokes the very essence and beauty of the Mediterranean, which it looks out upon, created to enhance the nature and landscape that surrounds it.

Set across two distinctive towers within its own mixed-use development, this is a new destination for Cyprus, with a world-class retail and culinary offering, against a backdrop of beautiful architecture and design. Benoy unravelled the unique architecture of the development with the distinctive curvilinear elegant proportions; the evocation of both the coastline it envelopes, and the sea beyond.
