Description

Exclusive Italian-inspired maisonette of four bedrooms located in a private gated community on the serene Zygi seafront, designed to offer a luxurious Mediterranean lifestyle.

Classical Italian architecture with modern comforts. The exteriors feature elegant stone facades and terracotta roofs, evoking the timeless beauty of Tuscany, while the interiors boast open floor plans, high ceilings, and large windows that flood the spaces with natural light.

Each residence is designed with meticulous attention to detail, featuring high-end finishes and premium materials such as travertine and marble.

The private beach serves as a peaceful retreat, while the communal swimming pools and landscaped gardens provide perfect spaces for relaxation and socializing. The community is securely enclosed, monitored by professional security, yet designed with an open, inviting atmosphere that fosters a sense of community.

The three floor villa has a total area of 294m2 and can be arranged to ones likes.
Completion of development December 2025.
