Description

For sale is a modern resale apartment located in the sought-after area of Agios Athanasios. With an internal space of 86 m², this home features two well-sized bedrooms, designed for comfort and functionality. Built in 2024, the apartment boasts high energy efficiency with an A rating, ensuring low running costs and a comfortable living environment throughout the year.

Agios Athanasios is known for its tranquil atmosphere and convenient access to amenities. The area offers a great combination of peaceful residential living while being close to shops, schools, and supermarkets. Its strategic location provides quick connectivity to the highway, making it easy for residents to reach the city center and nearby coastal zones.

The property is part of a modern building equipped with an elevator, offering convenience and accessibility. Carefully designed interiors provide a blend of style and practicality, ideal for both families and professionals. This apartment is an excellent option for those seeking a modern lifestyle in an established and well-connected neighborhood.
