Description

Discover a stylish and elegant residential development located in the eastern part of Limassol, Cyprus, one of the city's most sought-after locations. The project consists luxury apartments, all enjoying stunning panoramic views of the Mediterranean Sea.

Designed to maximize natural light and showcase the surrounding beauty, each residence benefits from large windows and spacious balconies that frame breathtaking sea views and the area's picturesque landscape.

The apartment offer generously sized bedrooms, modern kitchen are thoughtfully designed with ample workspace, granite countertops, and high-quality fixtures and finishes throughout.

For year-round comfort, all apartments feature concealed air-conditioning systems within suspended ceilings and underfloor heating throughout. Spacious open-plan living and dining areas seamlessly extend onto large balconies, creating the perfect setting for indoor-outdoor living and entertaining.

Residents also benefit from:

Private underground parking

Individual storage rooms

Communal outdoor swimming pool

High-quality construction and premium specifications

Spectacular sea views

This exceptional development combines luxury, comfort, and a prime location, making it ideal for both residential living and investment opportunities.
