Description

For sale is a modern commercial building currently under construction in the vibrant area of the Limassol center . With an expansive internal space of 737 m2 (without the covered verandas) , this property offers a blank canvas for various business opportunities. Scheduled for completion in 2024, it features an energy-efficient rating of A, ensuring lower running costs and a sustainable footprint.

Property is located between Neapolis and Linopetra , combining a mix of residential and commercial establishments. The location benefits from easy access to major highways, making it convenient for both clients and employees. Additionally, a variety of amenities such as shops, restaurants, and recreational areas are just a short walk away. and within a close proximity to the Limassol coastline

The building is designed with modern comforts in mind, including a central air conditioning system and an elevator for accessibility. Large windows provide stunning city and sea views, creating an inspiring environment for any business.
