Description

This spacious top floor two bedroom apartment is part of an off plan residential building in the center of Limassol just walking distance to all amenities. There is an open plan kitchen with dining area and living room which leads to the big covered veranda, two bedrooms one of which the master with en-suite, small covered balcony and family bathroom. Covered parking and storage room belong to the apartment on the ground floor of the building. The property has high quality standard kitchens, windows with double glazing insulation and electric shutters in the bedroom. Also double shielded PVC exterior security door will be fitted at the entrance of each flat. Each apartment has its own central mobile phone control electronic switch for the lights of the flat. Similar mobile phone control electronic switch will be fitted for hot water for energy and electricity saving. The central entrance of the building will be controlled by a video door entry system. The building consists of 9 apartments in total (1-2 bdr apartments).

Date of delivery of the construction is June of 2022
