## Description

This top floor 2bdr apartment situated in residential building in quiet neighborhood of Kapsalos in the center of Limassol. Walking distance to all necessary amenities like supermarkets, schools, pharmacy, bakery, coffee shops, bus stations and etc.

Property consist of living /dining area, two bedrooms en-suit shower, family bathroom, big veranda and roof garden.

The project consists of 4 apartments, two 2-bedroom apartments and two 1-bedroom apartments. Each apartment has its own parking space as well as its own storage room.

Top quality materials, both structural and decorative, will provide its residents with the anticipated quality of life.

The wide space of the apartments, the special features, the roof garden and the big verandas give the comfort of a relaxing living space in the city centre.

All apartments have large balconies, ideal for enjoying the views.

Photovoltaics will be installed for every apartment as well as for the common areas of the building.

The apartments are fitted with high standard kitchens, thermal double-glazing windows, electric shutters for bedrooms and thermal insulation for the building.

All apartments are equipped with smart systems. Mobile phone control electronic switches are fitted for the general lighting and controlling the hot water.

Video door entry system at the main door of the building will also be fitted.
