Description

We are excited to present an exclusive collection of 12 two-bedroom luxury apartments, designed to blend modern comfort with contemporary style. This development offers a premium living experience with high-quality finishes and spacious interiors.

Each apartment features large balconies, extending the living space and providing an ideal setting for outdoor relaxation. The units are equipped with advanced features, including a concealed VRV system for efficient cooling and heating. Elegantly designed built-in kitchens and wardrobes, walk-in showers, and wall-mounted toilets combine practicality with modern luxury.

Residents can enjoy premium communal amenities such as a swimming pool with changing rooms, a fully equipped gym, and a stylish lobby area.

The price includes underfloor heating, VRV system for cooling, an alarm system with intercom, provision for an electric car charger, and access to all communal facilities.

A furniture package is available at €30,000 + 19% VAT.

Features

Concealed VRV system for cooling and heating

Individual alarm system and intercom access at the main entrance
