Description

This exclusive collection of luxury 3-bedroom villas is thoughtfully designed for contemporary Mediterranean living, offering the perfect balance of comfort, style, and long-term value.

Each villa combines elegant architecture with advanced technology and premium finishes. The spacious open-plan interiors feature high ceilings, tall doors, and large energy-efficient windows, creating bright and welcoming living spaces with a seamless connection between indoor and outdoor areas.

Designed for year-round comfort and energy efficiency, every home includes water-based underfloor heating with independent zone control, a concealed VRV cooling system, and a Category A energy rating. The villas also offer private outdoor areas with swimming pools and barbecue spaces, ideal for relaxing and entertaining.

Features:

- 3 spacious bedrooms
- Private swimming pool
- Underfloor heating with independent zone control
- VRV cooling system
- High ceilings (3.10m) and tall doors (2.40m)
- 5.2 kW photovoltaic solar panel system
- Full thermal insulation
- Energy-efficient slimline aluminium windows
- Category A energy rating
