Description

This one-bedroom apartment in Mesa Geitonia is ready for immediate move-in and comes fully furnished, so there's no separate furniture cost or wait before you settle in. The 60 square meter layout keeps the living space efficient, with the bedroom and bathroom sized to match. Pets not allowed.

The apartment is fitted with a central air conditioning system, giving you consistent climate control across the rooms rather than relying on separate units. Because everything is furnished, the space is set up to use from day one, from seating to bedroom furniture.

The location places you close to the highway, useful if you're commuting by car, and close to a range of amenities, cutting down on the errands that otherwise eat into your day. Mesa Geitonia itself sits within easy reach of these conveniences, which is reflected in the property's positioning near both the road network and local services.

The apartment is available to rent at 1,600 EUR, with the unit currently key ready. If a one-bedroom, fully furnished apartment in Mesa Geitonia with central AC and quick highway access fits what you're looking for, contact Vivo Realty to arrange a viewing.
