Description

This two-bedroom apartment in Agios Tychonas underwent a full renovation in 2021, and the result is a modern, fully furnished interior spread across 118 square meters. Two bathrooms serve the bedrooms, and central air conditioning runs through the entire apartment.

The building includes a communal swimming pool, and the apartment itself sits directly on the seafront. A highway runs close by, and everyday amenities are within easy reach.

Agios Tychonas is a coastal village on the southern coast of Cyprus, part of the built-up shoreline that extends east from Limassol. The village sits directly on the Mediterranean, and its coastal strip carries a mix of low-rise apartment buildings, hotels, and residential streets set back from the water. Living on this stretch of coast means a setting shaped by the sea on one side and the coastal road on the other.

The apartment is offered fully furnished, to rent, at an asking price of 3,500 EUR. Contact Vivo Realty to arrange a viewing.
