Description

Ready for immediate move-in, this two-bedroom apartment in Petrou & Pavlou comes fully furnished, so the only thing left to bring is your bags. Built in 2010, the 85 square meter layout gives each of the two bedrooms its own bathroom, with central air conditioning running throughout for year-round comfort. Pets allowed.

The apartment sits within a building served by an elevator, a practical detail for moving furniture or simply avoiding the stairs on a warm day. Its position places a highway within easy reach, useful for anyone commuting elsewhere on the island, and everyday amenities are close by for routine errands.

Petrou & Pavlou is a well-known avenue in Limassol, a coastal city on Cyprus's southern shore. The area sits within the city's built-up core, where low- and mid-rise apartment blocks line the streets alongside shops and cafés at ground level, and the seafront lies within the wider city's reach. Living here means being part of that dense, walkable urban fabric rather than a quieter outlying suburb.
