Description

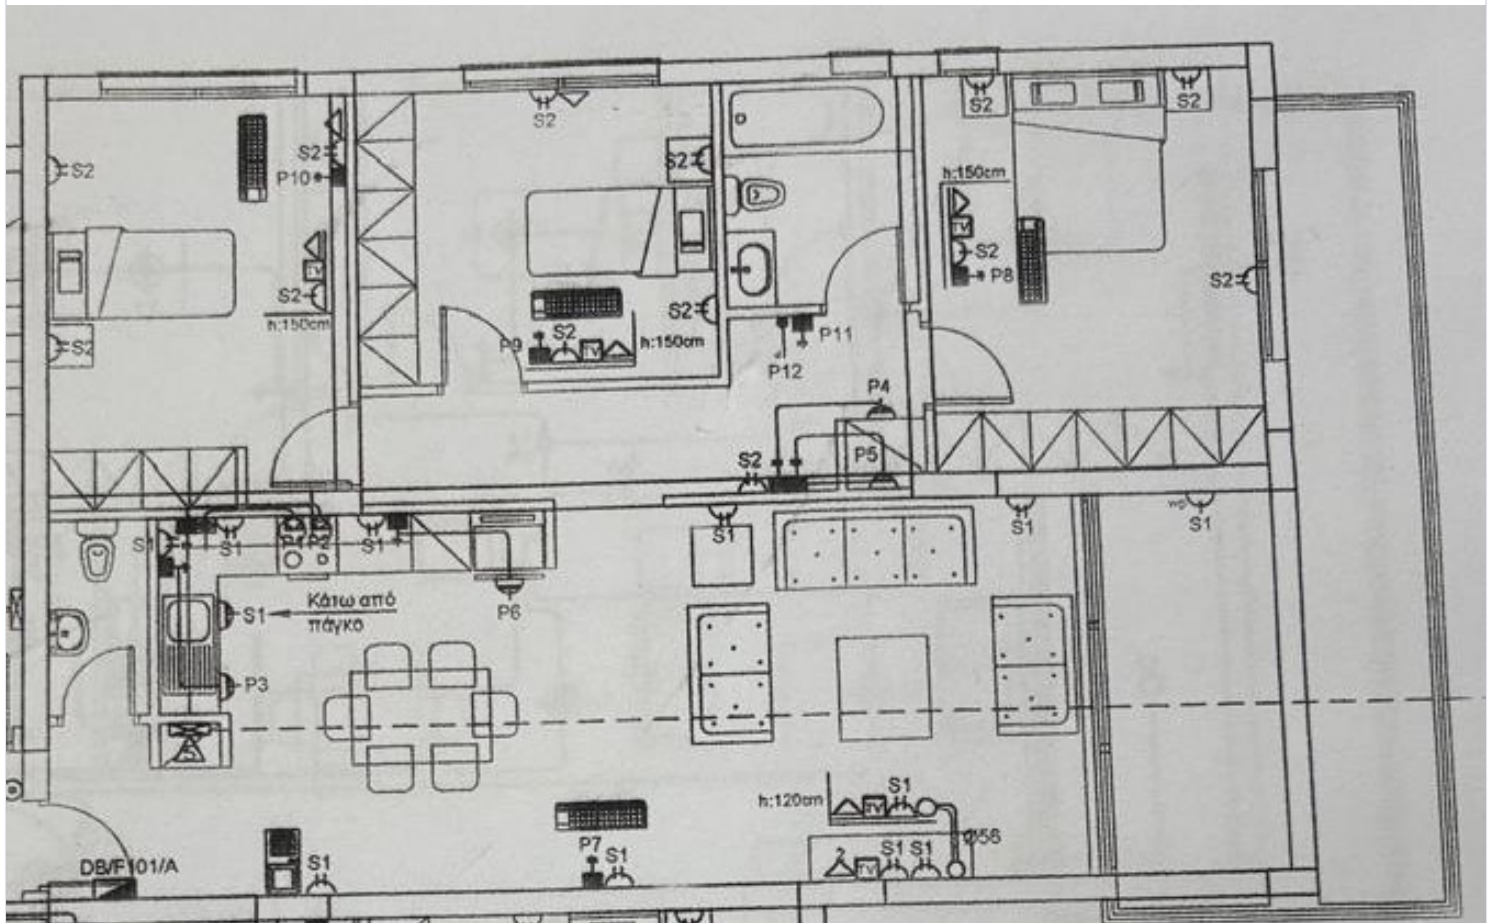

This apartment in Trachoni is finished and ready for key handover, with a 2026 completion date and an A energy rating already secured. Inside, 97 square meters are arranged across three bedrooms and two bathrooms, giving a layout with room to separate living space from where you sleep. The apartment is unfurnished, so the space is open to whatever furniture and finishing touches you bring to it, and central air conditioning runs through the whole unit for year-round comfort. An elevator serves the building, useful for moving in and for everyday access.

Trachoni is a village in Cyprus, and the immediate area is described as close to amenities, putting everyday errands within easy reach rather than requiring a long trip out. Beyond that, the specifics of the surrounding streets and services aren't detailed here, so it's worth exploring the village in person to get a feel for its pace and character.

At 355,000 EUR plus VAT, the price reflects a property that's ready now rather than one still years from completion. To view this apartment in Trachoni or ask about next steps, reach out to Vivo Realty.
