Description

This detached villa offers 520 square metres of fully furnished living space across five bedrooms and five bathrooms, built in 2019 to energy efficiency A standards. The ground floor layout flows from a central entrance to main living areas and a fitted kitchen, with secondary spaces including a basement for additional storage or utility. All five bedrooms connect via internal hallway, each with ensuite bathroom access. Pets allowed.

Outdoor amenities include a private swimming pool set on the large plot, served by a central air conditioning system throughout. The property is fully furnished and ready for immediate occupancy.

Agios Georgios Havouzas is a residential village in Cyprus with shops, cafes, and essential services within the local area. The village sits close to larger centres that carry fuller amenity choice.
