Description

This detached house in Kato Polemidia, Limassol, is available to rent at 1,300 EUR, with two bedrooms and one bathroom set on the ground floor. The property comes furnished, so it is ready to move into without sourcing furniture or fittings of your own. The two bedrooms and single bathroom occupy a straightforward ground-floor layout suited to everyday use.

The villa sits close to the highway, giving quick road access in and out of the area, and close to local amenities for day-to-day shopping and services.

Kato Polemidia is a suburb of Limassol, on Cyprus's south coast, lying inland from the city's shoreline. Its built fabric is largely low-rise residential housing, giving the area a settled, suburban character rather than a dense urban one. For someone renting here, that means a residential setting within easy reach of the city by road, without being on top of Limassol's coastal center.
