Description

This plot is situated in Aphrodite Hills Resort, an award-winning fully integrated sports and leisure resort near Paphos, Cyprus. The five star 243 hectares / 578 acres luxury resort comprises of 5-star Hotel, Luxury Spa Retreat, 18-hole Championship Golf Course and Tennis Academy. Aphrodite Hills is the first ever fully integrated luxury resort to be opened in Cyprus. Set on a stunning plateau overlooking the crystal waters of the Mediterranean, the resort combines a wide choice of the finest accommodation with professional standard 18 hole golf and tennis academy facilities along with a state of the art spa plus a 3000 square meter children's club, beach club and a lot of other wide-ranging leisure activities. A protected forest also surrounds the resort and only 8 percent of the net land area can be developed. The resort concept first began in the 1980's over two decades have been dedicated to master planning and a feasibility study of methods of maintaining and protecting the area; s of the archeological and historic heritage.
