Description

Set in the heart of Limassol, just moments from Anexartisias Street and Heroes Square, this characterful bungalow offers the rare combination of old-style Cypriot charm and an unbeatable central location — walking distance to shops, cafés, restaurants, and every amenity the city centre has to offer.

Upon entering, you're welcomed by a fairly new, well-appointed kitchen flowing into a separate dining room and a comfortable family sitting area. The property offers two large bedrooms and a shower room with w/c, all thoughtfully laid out for easy, single-level living.

A lovely feature of the home is that every room opens through traditional wooden doors onto an enclosed private yard, creating a peaceful outdoor space perfect for relaxing, entertaining, or simply enjoying the Cypriot sunshine.

Versatile in use, this property is equally suited as a residential home or as office space, making it an excellent opportunity for owner-occupiers, investors, or businesses looking for a central address with character.

The house will be freshly repainted throughout and fitted with new A/C units, ensuring it's move-in ready and comfortable year-round.

A unique opportunity to own a piece of traditional Limassol charm in one of the city's most sought-after and central locations.
